Associazione Culturale Malik

DESCRIPTION OF ORGANISATION: LAST UPDATED ON: 04/12/2014

Malik association promotes socio and cultural solidarity through training and education. The main association's mission is to foster local identity and intercultural and sustainable development, through studies, research, publications, processes, reflections, demonstrations, workshops, exhibitions, youth exchanges, cultural activities and non formal education.

The association aims to:

- foster cultural, artistic, social, environmental, ideological and civil development of citizens and youngsters;
- promote awareness on universal issues;
- spread democracy and solidarity in human relationships for sustainable development;
- promote active citizenship and sense of ownership to the EU.

Malik cooperates with several Municipalities and Youth Councils, especially the ones with geographical barriers: together with Eurodesk Italy and a SME called Eurobridge, manages the project "Sportello in spalla" (Backpack-desk) aimed to:

- inform Sardinian young people with fewer opportunities about European opportunities in the fields of education, training and job;
- promote youth mobility;
- promote active citizenship of young people and their sense of initiative.
